

Friday 18th November 2022

Dear Parents and Carers,

Certificates

Congratulations to Georgina and Vanya who were our Stars of the Week!

Congratulations to Gracey who received our Value certificate this week!

Phonics

During phonics this week we begun Phase 3. We have learnt j v w x and we are becoming confident to read words containing these sounds. We also learnt the tricky words he be me. We looked at how the e is tricky us by making the ee sound.

All the children received a Phase 3 bookmark to take home.

Maths

In maths we have explored the numbers 4 and 5. We are subitising, counting out objects and looking at how other numbers make up 4 and 5 using numicon.

Topic

As part of our topic, Amazing Animals, we have been looking at the Artic and Antarctic. We have become Polar explorers discovering what animals we might find. We now know that the white colour on our world map indicates snow and ice, green is for the land and the blue is for the oceans.

Other news

A reminder that Nativity costumes are due by Thursday 1st December.

Please find photos of our learning and Forest School sessions on our class page for you to enjoy!

Home Learning Challenge

Reading challenge! I wonder how many more children can receive a golden ticket for Friday's Celebration assembly! Remember to read 4 times from Friday-Thursday with a signed reading record.

Please practice the sounds j v w x and complete the tasks on our sing it, say it, sort it sheets.

Thank you for your continued support.

The EYFS Ladybirds Team

Ladybirds.wsm@coastalpartnership.co.uk

We value our parents as partners. Please leave a comment or email on any aspect of your child's learning. Things they are enjoying, new learning that they may have shared with you or things that they may be finding tricky.
