Dear Parents and Carers,

Certificates

Congratulations to Ellie and Harry who were our Stars of the Week!

Congratulations to all of Ladybirds class who received our Value certificate this week!

Phonics

In phonics we have introduced the children to the letters y z zz and the sounds that they make. We found out that when you hear z at the start of a word (zip), we use one z but when we generally hear z in the middle or at the end of a word (dazzle/fizz), we usually use the diagraph zz; two letters that make one sound. We have continued to read our next set of tricky words; me be and have been practising writing the tricky words; no go the to I into. Ask your child which parts tricks you out!

Maths

Through number games, we have been counting, recognising numerals and subitising arrangements of up to five objects (saying how many without needing to count). Through exploration we have spotted numbers within numbers such as different ways to make 4 and 5. "3 and one makes 4."

Topic

As part of our topic, Amazing Animals, we have been looking at all things Penguins! We have become experts at drawing penguins, just ask us how! We now know that penguins' feathers are waterproof and that they swallow their food whole!

Other news

Please find photos of our learning and Forest School sessions on our class page for you to enjoy!

Home Learning Challenge

Please practice writing the letters y z zz and complete the tasks on our sing it, say it, sort it sheets. Ask your child to practice writing the tricky words: no go the to I into using their book marks.

Thank you for your continued support.
