

Friday 12<sup>th</sup> May 2023

Dear Parents and Carers,

### Certificates

Congratulations to Ellie and Charlie who received our Star of the Week certificate!

Congratulations to Piper who received our Value certificate this week!

Congratulations to Piper who won the KS1 Golden ticket this week!

### Phonics

In phonics, we have continued to explore letter blends or consonant clusters. We have practised reading and spelling words with letter blends "consonant clusters" at the start or end of a word fl fr sl cr cl dr pl pr bl br sk sp st sw sl tw. The children are becoming increasingly confident to identify the letter blend when reading words and listening carefully when we are writing words down.

### Maths

During our maths learning, we have looked at recalling doubling facts to 5 and some children went beyond to 10. We know that when we double a number it means twice as many. Some children are beginning to automatically recall double facts and most can use numicon or dominos to find and show a double!

### Topic

Ladybirds have noticed that the pupa is ready to move back into the butterfly enclosure. We now have to wait around 7-12 days to see if butterflies hatch!

### Home Learning Challenge

Thank you to those who brought in recyclables the children really enjoyed creating with them this week!

Thank you for your continued support.
