Dear Parents and Carers,

Certificates

Congratulations to Ellis and Alfie who received our Star of the Week certificate!

Congratulations to Violet who received our Value certificate this week!

Thank you

Thank you to those who have given and offered donations to us this week. We now have enough tyres. We are now looking for photo frames (size A4) that you would be happy to donate. The children are very curious to know what we will be using the tyres for during our next terms topic. They have already enjoyed using them as part of an outside obstacle course.

Phonics

In phonics, we have continued to explore letter blends or consonant clusters in words that contain trigraphs and digraphs too such as; champ, paint, throat, burst, spear. We have also learnt new tricky words this week: what when

Maths

During our maths learning, we have introduced sharing amounts into groups using a one for me, one for you approach and the vocabulary more/fewer/equal/fair /unfair to compare how many.

Topic

Ladybirds have observed that we have three butterflies! This was a very exciting moment for the children, and we hope to see the remaining two emerge from their cocoon soon! We decided to release the first three as their wings were dry and they were beginning to fly in the net.

The children have been very busy creating our Purbeck Arts Week creation! They were amazing at sharing their thoughts and how we can create two class master pieces.

Thank you for your continued support.

The EYFS Ladybirds Team
