

Dear Parents and Carers,

### Weekly Learning Letter Week 1

Congratulations to Samson and Millie who received our Star of the Week certificate!

Congratulations to Tommy who received our Value certificate this week!

The children have been LOVING our upgraded creative spaces and have been very sensible and responsible in using the resources. They have made a great team effort in making sure all resources are tidied away after each learning time session 😊

To help us keep this area fully stocked we are asking for your recycling and any arts and craft supplies you would like to donate. This could be cardboard, egg cartons, ribbon, string, scrap paper, stickers, old cards, magazines, feathers, tissue paper, wrapping paper, paper plates, tubes, plastic lids etc

### Phonics

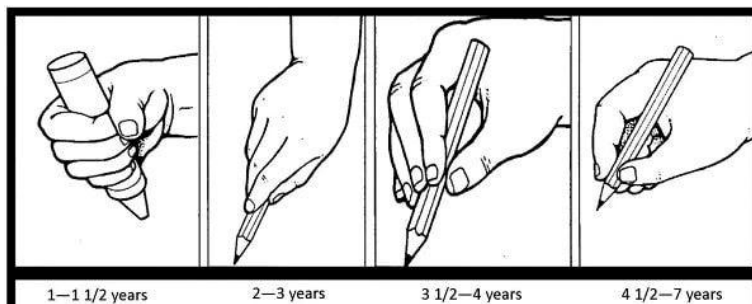

In phonics we have revisited the letters and sounds ch sh th ng and increasingly, we are able to read and write words that contain these digraphs. Top tip - remember to stick your tongue out when you say th.

### Maths

We have been singing number songs; we have subitised how many things we have in the song e.g. 5 frogs for 5 little speckled frogs. The children have been introduced to zero and have a good understanding of what this means.

### Home Learning Challenge

To copy the letters ch sh th ng have a go at writing these independently. Please continue to encourage your child to hold their pencil correctly as they do so.

Have a lovely weekend,

**Matthew Taylor**

**Teacher**
