5<sup>th</sup> September, 2025

### **Year 6 trip to Winchester Science Centre**

**Wednesday 15<sup>th</sup> October, 2025**

Dear Parents/Carers,

I am delighted to inform you that Year 6 will be visiting **Winchester Science Centre on Wednesday 17<sup>th</sup> October**. This trip links to this half term's Science topic about the heart and circulatory system. The children will have time to be hands-on in the Science centre before having an hour-long workshop where they will handle a pig's heart and complete activities linking to the heart and circulation. If children are slightly squeamish, they will not be forced into touching the heart! They will also have the added bonus of visiting the centre's planetarium.

#### Timings

**Children will need to be in school promptly at 8.45am for a 9.00am departure.** We aim to **return to school for 3.15pm** but will be in touch if we are delayed for any reason.

#### Cost

To cover the cost of the trip we are requesting a voluntary contribution of £8.50 per child (This includes a very generous donation from the PTFA). The cost includes minibus charges, entrance to the centre and the cost of the workshop. Although contributions are voluntary, we need to collect sufficient contributions in order for the visit to go ahead. **If finances are a barrier to your child attending this trip, please speak to either myself or Mrs Davids.**

#### Requirements

Children should come to school in **school uniform with appropriate footwear. Please also pack a coat** as there is a short walk to the centre.

#### Lunch

**Children will require a packed lunch and water bottle** for the trip. If your child is entitled to free school meals, they will be provided with a packed lunch.

**Please complete the consent form on Arbor and make your contribution via Wisepay.**

Many thanks and I look forward to a fantastic trip.

Mrs Holt

Y6 class teacher and Deputy Headteacher
