

Dear Parents and Carers,

Weekly Learning Letter Week 5

Congratulations to Jude and Nelly who received our Star of the Week certificate!

Congratulations to Millie who received our Value certificate this week!

Next week in Maths we will be looking at 3D shapes! If you have any recyclables that represent a cube, cuboid, sphere, cone, cylinder or triangle prisms please can you send these in for Monday 😊 Thank you

Phonics

With Mrs Hay, the children have revisited OI NK with a particular emphasis on composing our own sentences with words containing these letters and sounds. We also learnt the tricky words: do so

With Mrs Maguire, the children have revisited Phase 3 sounds QU CH SH and we are focusing on hearing these sounds in words and beginning to read them in words. They also revisited the tricky word: we was she.

Maths

In maths we consolidated key concepts that we have been learning so far this half term. We have also enjoyed singing number songs to support counting and learning number bonds to 10.

Topic

As dinosaur detectives, we made our own salt dough fossils! The children really enjoyed selecting how they wanted their fossil to look! They now have to dry and then they can bring them home 😊

Home Learning Challenge

Mrs Hay Phonics Group – To write words that have OI NK in them. E.g coin, boil, pink, tank

Mrs Maguire Phonics Group - To write the sounds QU CH SH and practise reading Phase 2 tricky words: I no go to the into

Please continue to encourage your child to hold their pencil correctly as they do so.

Mrs Haley Hay

EYFS Lead and Teacher / Phonics Lead
