

Friday 9th June 2023

Dear Parents and Carers,

Certificates

Congratulations to Lyla and Amber who received our Star of the Week certificate!

Congratulations to Ellie who received our Value certificate this week!

Congratulations to Harry W who won the KS1 Golden ticket!

Topic

What a wonderful crew all aboard week. We have enjoyed finding out who the pirates were; what life was like as a pirate; about the pirate code; the crew and learning to talk like a pirate, aaaargh! During independent learning time, when we are the boss of our own learning, the children have chosen their own activities including; building large pirate ships with crates, planks and pirate flags; exploring the rock pool; building sandcastles; creating pirate treasure and making treasure maps.

Phonics

In phonics, we have continued to explore letter blends or consonant clusters in words that contain trigraphs and digraphs.

Maths

During our maths learning, we have learnt to draw maps! We really enjoyed creating our own treasure maps for our friends to follow.

Trip

We are still waiting on a few permission slips and money for our school trip. Please can you bring this back ASAP as we need to finalise numbers and parent helpers. If you need another copy please see the office.

The children would like to fundraise to adopt a sea animal at the sea life centre! The children have voted for which animal we would like to fundraise for. The children would like to host a cake sale to fundraise the money, more details soon! We need to confirm when this will happen.

Home learning challenge

In complete your family challenge of creating something for our 'at the seaside' display. This could be a junk model sea creature or boat that you construct, a photo of art that you have made at the beach, a treasure map, a pirate hat or a postcard that you have written about your half term holiday. Be creative, the choice is yours!

Thank you for your continued support

The EYFS Ladybirds Team
