Dear Parents and Carers,

Certificates

Congratulations to Tom and Gracey who received our Star of the Week certificate!

Congratulations to Ladybirds class who received our Value certificate this week!

Congratulations to Georgina for winning the KS1 Golden ticket!

What a busy week! This week we have had Sports day, Journey Day and our first transition afternoon!

Sports day

Ladybirds were fantastic at Sports day, and we hope you had fun too! This morning was super exciting as the children were able to take part in a range of activities this included: archery, ball skills, skipping, throwing, jumping and of course face paints! They all did so well in the races and so did the parents!

Journey day

To start off our Journey Day, we read the Creation story and discussed why planet Earth is special to us. Ladybirds were very busy creating posters and pictures about how to look after Earth and the grounds that are close to us!

Year One Transition

Ladybirds had a great first afternoon in Year one. They were all so excited to share what activities they got up to when they came back to class.

Cake sale

Thank you all who brought in cakes, baked, and brought in money to help us raise £53! The money will go towards adopting a seal at the Sealife centre. The class will receive an adoption pack which includes a certificate of adoption, a plush toy, information and stickers about the chosen animal, our class name displayed outside the enclosure and one free ticket which we have used for the trip to bring the individual cost down.

Trip

Thank you to all parents who have said they are able to help. I have spoken to two parent helpers who will be joining us on the trip. Unfortunately, I cannot have more helpers as the minibuses are full and our adult tickets have been allocated.

Pirate Day!

Ladybirds are working together to earn a pirate day! They must earn 20 golden coins to move up the treasure chest. They now have 7 coins. Keep going Ladybirds you are nearly halfway there!

Thank you for understanding and for your continued support!
