

Dear Parents and Carers,  
Weekly Learning Letter Week 2

Let's Celebrate!

Congratulations to Jesse and Jenson who received our Star of the Week certificate!

Congratulations to Jenna who received our Value certificate this week!

### Phonics

Mrs Hay and Mrs Maguire's group joined together this week and the children completed a mixture of Phase 3 and Phase 4 sounds. We revisited the sounds oi and nk.

In Miss Holiday's group the children have revisited the sounds b. They have been focusing on segmenting and blending words that contain these sounds. They have been practising reading the tricky words: I the into no go to.

### Topic

This week we looked at rockpools and discovered what we might find! We loved exploring our rockpools outside and inside where we can find lots of shells, fish, crabs and much more!

### Trip

More letters have been issued to parents that we are waiting permission slips for. Parents who have paid online I will come to you to sign a paper copy. I hope to catch parents next week to inform you which parents are joining us for the trip unfortunately I cannot take all adults that have offered to help as I have limited adult tickets. Thank you!

### Moving on up!

Ladybirds had their first transition session with Mrs Muir and Mrs Richardson – they both said what a lovely after they had! Ladybirds expressed that they felt worried but excited and we acknowledged that these are normal feelings to have. Upon return Ladybirds couldn't wait to tell us what they had been up to!

Kind regards
