

Dear Parents and Carers,  
Weekly Learning Letter Week 5

Let's Celebrate!

Congratulations to Leafy and Claire who received our Star of the Week certificate!

Congratulations to Ladybirds class who received our Value certificate this week!

What a week! We have had a different, FUN and VERY busy week!

### Trip!

Well done Ladybirds - you were amazing on our trip! Thank you all to our parent helpers! We hope Ladybirds have been chatting away at home at what they saw. Photos of our trip will be available to view on our class page.

### Circus workshop

Ladybirds had the opportunity to attend a circus workshop. It was so much fun. We learnt to juggle with two scarfs and play on different circus equipment.

### Carnival art work

We are preparing for the Wareham Carnival. We were set with the task of creating Olympic rings, table tennis bats, bow and arrows and Big Ben!

### Moving on up!

Ladybirds had their final transition session with Mrs Muir and Mrs Richardson.

Kind regards

**Mrs Haley Hay**
