

## English

In reading we will be continuing to blend words using our phase 5 graphemes.

In writing we will be constructing sentences using a capital letter and full stop correctly. We will keep using our phonics to help us spell and making sure our letters are formed correctly.

Our finished product will be a setting description of the Snow Queen's castle!

## RE

In RE we will be learning about the teachings of Jesus through parables.

We will be finding out who told parables and why they are so important.

## PSHE

Our PSHE unit is called Keeping Ourselves Safe. This involves some sessions around healthy lifestyles including exercise and sleep.

We will also be learning about parts of the body that are private and understand we have the right to say "no" to unwanted touch.

We will be having a PANTS talk. More information can be found on the NSPCC website here:

[Talk PANTS: Conversation to help keep children safe | NSPCC](#)

# Year 1 Curriculum Map Spring 1

## Science

Our topic in science is Materials.

We will be learning to describe different materials using some new vocabulary such as absorbent, shiny, dull etc.

Our investigation will be to find out which materials are waterproof.

## Computing

In computing we will be learning how passwords are used to protect information, accounts and devices.

We will also be using simple keywords in search engines.

## Music

In music we will be learning about pulse and rhythm. This will include recognising basic tempo and pitch changes.

## Maths

In maths we will be continuing to improve our place value knowledge within numbers to 50. We will be learning to use our part whole model to secure our place value knowledge.

We will also be using our place value to knowledge to help us with some addition and subtraction within 20.

We will finish by securing our knowledge on the days of the week and months of the year as well as telling the time to the hour.

## Topic

In topic we will be doing a geography unit. We will be learning to name and locate the four countries within the UK and their capital city.

We will also look at weather in the UK and compare this to other hot/cold countries.

## PE

Our indoor PE will be dance and out outdoor PE will be focused on ball skills learning skills for attacking and defending.

## Art

In Art we will be learning about mixing colours and creating thick/thin lines using paint. Our finished piece will be a winter picture.

We will be learning to talk about how art makes us feel.
