This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

**The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).**

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

## Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

# Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	60%	<p>Of the 40% who cannot swim:</p> <ul style="list-style-type: none"> <li>- A mixture of ill health and unauthorized absences have school have prevented them from attending swimming catch-up sessions regularly.</li> <li>- Several students forgot kit regularly or refused to swim due to SEMH</li> <li>- Started as non-swimmers and have progressed to beginner swimmers, able to swim 5 metres either aided or unaided.</li> </ul> <p>Due to inset days and bank holidays the swimming sessions were reduced.</p>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	53%	<p>53% entered Year 6 assessed as able to swim the 3 types of strokes over 25 – 50 m</p> <p>47% - are beginner swimmers who are at the beginning of these strokes/ still use doggy paddle as their stroke due to their ability level.</p>

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>80%</p>	<p>In conversations with the class, they were able to identify risks and hazards as part of different water-based locations.</p> <p>During swim/confidence building sessions they could demonstrate how to float/huddle and scull over a short distance and for a short time.</p> <p>Several demonstrated exiting the pool at both the shallow and deep end, using either the steps or climbing out of the pool.</p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes/No</p>	<p>We ran sessions for our Y6s to help catch them up. We were able to hire the pool for a 10 week block.</p>
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>Yes/No</p>	<p>1 staff member completed the STA Lifesaver course in preparation for the swimming sessions.</p> <p>In house CPD – trained in school staff provided continuous training and support to allow staff to understand the pedagogy of swimming and offer advice to allow for the most progress during swimming sessions.</p> <p>Staff finished the swimming sessions this year saying they felt more confident and understood teaching swimming in context better.</p>
