

Dear Parents and Carers,

Weekly Learning Letter Week 1

Firstly, a huge well done to Ladybirds who have been amazing at settling into the Nurture classroom on Friday.

It has been explained to the children that at the moment we cannot use our classroom due to the rain that flooded our classroom Thursday after school. They spotted that all our classroom resources and furniture has been safely moved into the hall and some has been moved into the nurture room with us.

We are not sure when we can return to our classroom but we will keep you informed.

This week we focused on adjusting to new learning spaces, reinforcing routines and expectations and enjoying sharing experiences and time spent at home over the holidays.

Our topic this half term is People who help us. Please find attached the curriculum overview and topic mat to give you more information about our learning this half term. Copies are available to view on our class page.

Thank you

Kind regards

**Mrs Haley Hay**

EYFS Lead and Teacher / Phonics Lead
