

Dear Parents and Carers,

Let's Celebrate!

Congratulations to Bo and Ami who received our Star of the Week certificate!

Congratulations to Marni who received our Value certificate this week!

Well done to Jessica, Arabella, Marni and Ella who were chosen as our Secret Ladybirds this week!

Well done to all Ladybirds who received a golden ticket for reading 4 times this week!

In phonics we have revisited the sounds we have learned so far and practised writing words made up of those sounds. We have found forming some of the letters a little challenging, especially those letters that start with an anticlockwise movement such as; s a d f g o c. It is very important that these letters begin with an anticlockwise movement, as it will make it easier for your child to join their writing when they move into year 1. So, if you do get the opportunity, you may want to practise these with your child. This doesn't have to be with pencils and paper. You could try writing these in the sand whilst on a beach walk, with sticks in the mud, with fingers in shaving foam (marvellously messy!) or with chalk/brushes and water on the patio....have fun!

We introduced the tricky words; be me. When we have learnt a few more Phase 3 tricky words we will send home the next book mark.

Next week we will be beginning Phase 3 sounds.

In maths we have been using number games to support counting, recognising numerals and subitising arrangements of up to five objects (saying how many without needing to count).

This week we took time to remember those who gave their lives to keep us safe and free. The children were very respectful and showed empathy for others. We talked about why we have poppies and how our poppy money helps injured soldiers and their families.

Nativity costumes – A separate letter will be sent by Monday 13th November.

Thank you for your patience whilst we get these ready 😊

Kind regards

Mrs Haley Hay

EYFS Lead and Teacher / Phonics Lead
