

Dear Parents and Carers,

Weekly Learning Letter Week 2

Congratulations to Elyannah and Noah who received our Star of the Week certificate!

Congratulations to Ralph who received our Value certificate this week!

Congratulations to Jonah who won the golden ticket raffle!

Phonics

In phonics we have revisited the sounds we have learned so far and practised writing words made up of those sounds. We have found forming some of the letters a little challenging, especially those letters that start with an anticlockwise movement such as; s a d f g o c. It is very important that these letters begin with an anticlockwise movement, as it will make it easier for your child to join their writing when they move into year 1. So, if you do get the opportunity, you may want to practise these with your child. This doesn't have to be with pencils and paper!

Maths

In maths we have been learning abouts 2D shapes focusing on circles and triangles and how to describe them.

Topic – Amazing Animals / Nativity

This week we took time to remember those who gave their lives to keep us safe and free. The children were very respectful and showed empathy for others. We talked about why we have poppies and how our poppy money helps injured soldiers and their families.

We also started learning some Nativity songs and we cannot wait for you to hear them!

Have a lovely weekend

Mr Matthew Taylor

Teacher
