

Dear Parents and Carers,

Weekly Learning Letter Week 1

Congratulations to Zac and Jennie who received our Star of the Week certificate!

Congratulations to Jude and Freddie who received our Value certificate this week!

Phonics

Mrs Hay and Mrs Maguire's group joined together this week as our computers have had an update over the half term and we needed to sort some computing issues 😊 The children were so understanding, and we completed a mixture of Phase 3 and Phase 4 sounds. We also learnt the tricky words: what when.

Maths

During our maths learning, we focused on sharing amounts into groups and deciding if it was fair or unfair. Ladybirds extended their learning to think about whether the numbers are odd or even.

Ladybirds Trip

Ladybirds are very excited to hear that we will be visiting the Sea Life Centre in Weymouth next month. Thank you to those who have already paid and handed back permission slips. **Parents will be informed who is joining us on the trip either by the 19th of June or as soon as all forms are in, whichever comes first.**

Topic

What a wonderful crew! We have enjoyed finding out who the pirates were; what life was like as a pirate; about the pirate code; the crew and learning to talk like a pirate, aaaargh!

Moving on up!

As we are now in the final half term of Summer and approaching the end of your child's first year of school, we begin to think about transition into Year One.

To support the transition into Year One, we have carefully planned four transition sessions where your child will visit their new classroom and begin to build a rapport with their new teachers. Mrs Davids will be sending a separate letter to inform you of your child's next teacher and dates for these transition sessions.

In class, we will begin to talk about things that will be the same and things that will be different next year. Next year the class will be known as Butterfly class.

Kind regards

Mrs Hay

EYFS Lead and Teacher / Phonics Lead
