

Dear Parents and Carers,

### Weekly Learning Letter Week 4

Congratulations to Freddie and Dhruv who received our Star of the Week certificate!

Congratulations to all of Ladybirds who received our Value certificate this week!

#### Phonics

Mrs Hay and Mrs Maguire's group joined together this week as Mrs Hay was completing assessments in Reception, visiting nurseries, sports day on Wednesday and transition on Thursday! A very busy week for us and Ladybirds!

Ladybirds focused on Phase 4 learning.

#### Maths

This week we have been focusing consolidating known concepts. This week we looked at 1 more and 1 less than focusing on numbers 11-20!

#### Sports day

WOW! Firstly, I must say how PROUD I am of all the children. They were amazing for both parts. They all earned 5 praise points each and were so excited to put them in the jars the next day.

#### Trip – Tuesday 1<sup>st</sup> July

Our school trip is next week! Please make sure your child has a sun hat and a water bottle. It is looking hot so please make sure your child has sun cream applied before coming to school. Children are coming into school in school uniform and please note there is not a space available for children to put their belongings throughout the day so please keep in mind that your child will be carrying their own belongings. We would advise they either bring a rucksack or have their packed lunch in a disposable bag.

#### A date for your diary - Time to celebrate!

Mrs Maguire and I have planned a celebration afternoon again as last year was a huge success! Our celebration afternoon is planned for **Thursday 10<sup>th</sup> July for 2pm start**. Each child will be given a fun award to celebrate them and their achievements! If you could respond to let me know if you can attend so we have an idea of numbers and that we can make sure each child has a friend or family member there. Please note we can only host up to 2 adults per child.

Thank you and hope to see you there!

Kind regards

**Mrs Hay**

EYFS Lead and Teacher / Phonics Lead
