Dear parents and carers

Our topic for the second half of Summer Term will be Sailing the Seven Seas. The children are the BOSS of their learning and have already suggested some ideas. Please have a chat with your child and add any other activities for things they would like to do, find out about or make based on this topic. If you think you could help with any of the children's ideas, please let a member of the Early Years Team know. Thank you for your support in helping us to make learning interesting, fun and personal for your child.
