Dear Parents and Carers,

What a wonderful crew! We have loved continuing our pirate topic this week. We have enjoyed finding out who the pirates were; what life was like as a pirate; about the pirate code; the crew and learning to talk like a pirate, aaaargh! During independent learning time the children have been designing and testing their own pirate ships.

The children have been working hard to earn gold coins for a pirate day! They need to earn 20 in total and are nearly in double digits already!

In Literacy and Topic this week we have looked at the life cycle of a turtle and wrote fact files all about sea turtles!

In Phonics we have been reinforcing all the letter blends we have been learning to read and write that can be found at the beginning or end of words: sk nk fl dr bl tr mp cr pl st tr cl nd sp nt tw cr sp st fr pt sl.

In Maths we relooked at identifying odd and even numbers using numicon shapes, number knowledge and sharing numbers into groups. We know that we if we have one left over the number is odd and if the number can be shared equally the number is even.

The EYFS Ladybirds Team

We value our parents as partners. Please leave a comment or email on any aspect of your child's learning. Things they are enjoying, new learning that they may have shared with you or things that they may be finding tricky.

My child's name:
